

Results from the Texas Angus Association
Best of the West and Stars of Texas Sales
January 20 & 21, 2017

It was another \$1,000,000 weekend for Texas Angus Association breeders. The demand for top quality females led the way with pregnancies and open heifers selling high with enormous demand! Bulls have softened as the fed cattle market has lowered, but demand was still strong for top genetics to improve the cow herds of Texas. It was a fun weekend and we will be looking forward to the 2018 January sales!!
