

## TAA Spring Spectacular Sale Results

It was a beautiful spring day in Salado for the May 6<sup>th</sup> sale and the bidding on the upper end lots was fast and furious with loads of interest from out of state. Highly sought after were the genetically superior pregnancies that offered herd improvement for buyers from as far away as California. We had a great weekend and now are preparing for the June 1<sup>st</sup> opening of consignments for the fall sale in September. Get your best ready and get them entered!!
