

Online Angus Calendar Offers Enhanced Search

Looking for Angus sale dates and events? Visit www.angus.org.

Producers searching for that next Angus sale now have access to an improved Angus Calendar, available at www.angus.org.

Search capabilities have been expanded for the American Angus Association® listing of upcoming Angus Sales and Events, located on the home page.

Previously, date searches were limited to a three-month time span. Current searches by date provide a listing of all submitted Angus sales and events throughout the year and beyond.

Angus producers may narrow their search for Angus events by any or all of the following categories: keyword, state, date, and type of event. Breeders can also submit their own Angus events [online](#).

For more information about the sales listed at www.angus.org, contact the ranch or organization listed; or an Association [Regional Manager](#) serving that territory.

The American Angus Association is the nation's largest beef organization, serving more than 30,000 members across the United States and Canada. It provides programs and services to farmers, ranchers and others who rely on the power of Angus to produce quality genetics for the beef industry and quality beef for consumers.
